

1. Offer Period: The 2019 FMC Grower CashBack (the “Offer”) is administered by FMC Canada (“FMC”) and begins on November 1, 2018 and concludes on October 31, 2019.
2. Eligibility: The offer is open to Canadian growers who reside in British Columbia, Alberta, Saskatchewan or Manitoba and are the owner, operator or designated representative of a farm.
3. Growers who meet the Qualifying purchase levels for FMC Grower CashBack Program will automatically be enrolled in the 2019 program. FMC must receive written notice from the grower if they wish to cease membership in FMC Grower CashBack program
4. To qualify for the FMC Grower CashBack Program, a grower must purchase a minimum of \$15,000 of eligible FMC products between November 1, 2018 and October 31, 2019.
5. Rebates are paid as per the following logic:
 - (ii) Total purchases of FMC products at Suggested Retail Price pre-qualify a grower for rebates corresponding to the segment of products purchased and their total purchase \$s as per the chart below.

Rebate Levels (\$/acre)				
Purchase Volume	Non-Crop	Broadleaf	Cross-Spectrum	Non-Crop Matching Acre Bonus
\$ 15,000 – 29,999	0%	\$0.25	\$2.00	\$1.00
\$ 30,000 - 49,999	0%	\$0.50	\$2.50	
\$ 50,000 – 74,999	0%	\$0.75	\$3.00	
>= \$ 75,000	0%	\$1.00	\$4.50	

- (iii) Non-Crop purchases matched with broadleaf and/or Cross-Spectrum herbicides qualify for an additional \$1.00/acre rebate on the broadleaf and/or cross spectrum herbicides value. A minimum 300 acre purchase of a non-crop product and a broadleaf and/or cross spectrum product.
 1. If 300 or more acres of Command® 360 ME are purchased and matched with a broadleaf, the Command® 360 ME acres will count at a rate of 2 times for matching.
- (iv) Growers who book 5,000 acres or more of Non-Crop herbicides with their retailer by February 28, 2019 and purchase by Oct 31st, 2019 will be qualified to earn a 10% rebate on their booked non-crop purchases.
 1. Rebates are paid on Suggested Retail Price for packaged goods and suggested retail price for PrecisionPac® blends.
 2. Command® 360 ME acres booked by February 28, 2019 and purchased by October 31, 2019 will count as 2 times the acres to meet the qualifying 5,000 acres but will be paid out at a rate of 1 times the acres.
- (v) Growers purchasing matching 640 or more acres of Aim® EC and Express® SG/Express® Pro/Express® FX/PrecisionPac® NC-0050/PrecisionPac® NC-00439/PrecisionPac® DB-878 to qualify for a rebate of \$0.50 per acre.

6. Rebate Calculations:
 - a) Retailers will submit grower purchase/retailer sales information on behalf of the grower for rebate payment.
 - b) Rebates based on sales will be calculated based on validated data submitted to AgData Ltd no later than November 15, 2019. Rebates are paid on net sales purchase data as provided by the retailer(s).
 - c) Rebates will be calculated based on 2019 Suggested Retail Price or Suggested Retail Price for PrecisionPac® blends.
 7. Rebate Payment:
 - a) FMC will not issue rebate cheques of \$100.00 in value or less.
 - b) FMC reserves the right to audit all sales of FMC products by the distributor / retailer to growers in order to confirm the accuracy of the sales and to adjust if necessary, any affected rebates retroactively.
 8. Overpayment: Any program overpayment will be refunded to FMC by the customer or will be deducted from future program payments at the election and discretion of FMC.
 9. Program Discrepancies: Any claims for discrepancies in program payments must be received in writing by FMC by December 15, 2019.
 10. In order to qualify for the above rebates, eligible products must be used by the same grower who purchased them, on a single farming operation.
 11. All herbicide purchases must be made from an authorized crop protection retailer with CroLife Phase III facilities.
 12. Participating growers may be eligible for additional FMC or FMC programs or rebates. See Terms and Conditions for any other programs for program eligibility.
 13. Presumption of consent: By enrolling in the FMC Grower Program, the grower acknowledges that their retailer(s) will submit purchase information, which may include personally identifiable information, on their behalf to FMC Company and authorizes FMC, their affiliates and any third parties designated by FMC to use such information provided for the purpose of administering this program and as a basis to send information that is relevant and useful to the grower. Certain of these affiliates or third parties may be located in countries outside of Canada. If a grower does not wish to receive product/offering information from FMC, the grower can contact FMC at 1-833-362-7722. For more information on how FMC handles information, visit privacy.FMC.ca.
 14. Prior Notice: FMC reserves the right to modify this program in its sole discretion. Program subject to change without notice
